From the parking lot of "Castellare di Tonda" go to "Sughera". Leaving the paved road we take the trail to the left that will take us to lake Tonda. We start to climb until we reach Castelfalfi and after a brief visit to this medieval village we ride on a fun but difficult track made of ups and downs in the woods overlooking the valley of "Carfalo" river. We go up the paved road Via Cerroni and then again on dirt track through woods and vineyards until we get back to lake Tonda. From here a steep but short climb will take us back to the start.
