

MontaioneMtbTrailArea.com was created thanks to the passion for cycling - especially for mountain biking - of its contributors. For this reason, the owners and contributors of this site, while doing everything possible to maintain the highest accuracy and reliability of the information, do not accept any responsibility concerning errors, omissions, accuracy of gps paths, event dates, addresses of accommodations and restaurants, and any other information contained on this map.

For the above reason, we are happy to share the tracks with you, hoping that you can have fun in our territory, but we won't responsible for the use that you are going to do, as no one has forced you to walk or ride on this track.

This path differs from the "Balconevisi" ring due to the fact that before reaching "Balconevisi" we take a path on the right that through a fun downhill in single track will take us to "Fornacino" and from here, pedaling on the flat white road, we will get back to the starting point.

Follow this track with Wikiloc application for smartphone.
