

MontaioneMtbTrailArea.com was created thanks to the passion for cycling - especially for mountain biking - of its contributors. For this reason, the owners and contributors of this site, while doing everything possible to maintain the highest accuracy and reliability of the information, do not accept any responsibility concerning errors, omissions, accuracy of gps paths, event dates, addresses of accommodations and restaurants, and any other information contained on this map.

For the above reason, we are happy to share the tracks with you, hoping that you can have fun in our territory, but we won't be responsible for the use that you are going to do, as no one has forced you to walk or ride on this track.

From Castelfalfi we go downhill towards the valley passing next to the Golf course and then we continue cycling on the valley until we reach the stream "Roglio". After passing the stream, we turn immediately at right taking the steep (but fortunately short!) climb up to an abandoned farmhouse. From here the climb becomes sweeter showing the view a beautiful panorama that sweeps up to Volterra. We go down again into the valley of the stream "Roglio" and go up again passing "Via di Mezzo" on the opposite side up to "Via Poggetta". We continue the path between ups and downs on not particularly challenging white roads surrounded by breathtaking countryside. When we finally reach the asphalt road, we turn right to get back to Castelfalfi.
